## Information about job offer

### Job description

Are you looking for a new job opportunity abroad? An important slaughterhouse that produces fresh and frozen poultry meat for the European retail and food service market and one of Europe's largest players in the poultry meat market is looking for an **electrician mechanic in the Netherlands**.

### Job description:

- You will independently perform (preventive) maintenance, repairs and overhauls on machines and installations (troubleshooting of machines and installations)
- You will assemble, disassemble, repair and replace electronic parts on the poultry machines, according to PLC schemes
- You will be working on all facets of technology, including cooling technology, pneumatics, hydraulics, mechanical engineering and electrical engineering

### Requirements:

- You must be able to read and understand PLC schemes
- You must have an electro-technical background
- You must have experience with mechatronics

- It is important to have good communication skills
- It would be nice to have experience in slaughterhouses or in the food industry
- Knowledge of English language, B2 level at least
- Availability to relocate in The Netherlands
- It is necessary to have a driver's licence
- You must be a citizen of a country within the E.U.

### **Why would you choose to work with us?**

- Our team is offering you SUPPORT and GUIDANCE, beginning with choosing the right job for you, helping you at your arrival in The Netherlands (accommodation, registration papers), and after that, throughout the entire time of our collaboration
- DUTCH EMPLOYMENT CONTRACT, regardless of the type of work that you are looking for (temporary or a career in The Netherlands)
- We are providing ACCOMMODATION (your own room, internet connection, and utilities). If you do not need the accommodation offered by us, or if you choose to move somewhere else in time, you will receive a housing allowance of 20 Euro/working day, net, for a maximum of 5 days/week
- You can rent the car from us, and we give you a FUEL CARD. If you are using your own car, we are giving you a fuel allowance of 0.19 Euro/km, for each kilometre that exceeds a 10 km distance between accommodation and workplace
- If the job requires you to have a VCA certificate, we can help you by paying your exam
- Weekly wages, transferred into your account every Thursday

We do not charge any commission or start-up fee.
