A cég jellemzése

A great job. A foreign country. A salary in euros. And everything taken care of for you. Sounds too good to be true? When we take you on at Eastmen, this is exactly what we offer. But we do more than just find you great work. We take care that you are always paid on time; we find you good, safe accommodation; we help you organize your relocation and cover your insurance, social security and medical costs. We also make sure that you are offered a clear Dutch contract translated into your own language. In short, we pretty much take care of everything except your own work!
